2) Besides there was a resolution given out in this matter

3) But now the DC recommends for the cancellation grant orders already passed, this course without being supported by a resolution given out

4) The reason put forth for the cancellation is that on Aesthetic grounds it is necessary to keep the place open

Bangalore District submitting the resolution of the Municipal Council recording their willingness for the proposed Cancellation of the free grant of land and requesting for orders of Govt Cancelling the grant of land for the said purpose. Submitted for perusal and reference to para 8 supra Sd 19/3 (6) The resolution of the Mcl were not be enough for the cancellation of the grant It is not clear whether a remarks was taken from the grantee and possession handed over to him The grant was issued in April 1929 and it would be too soon to complete a building on the site The consent of the grantee appears necessary for resuming the land if that was been already made over to him Information on these points may perhaps be called for Sd 21/9/29 (7) The D/Mr is right in law of grant of the land & the Govt Order is for Cancellation — This may therefore be approved ~~No doubt~~ The DC does not want that any building should be constructed on the land. ~~This should be inserted~~
